

broomeboarding

“Our aim is to provide a highly valued boarding service which supports students in their personal development and education in a safe and caring environment.”

STAFF INTRODUCTION – College Manager

My name is Kristen Orazi and I have recently relocated to Broome with my family to take on the role of College Manager. My husband Michael, our two children and I have come to Broome from Kalgoorlie, where I have been working with young people in residential settings, counselling services, youth centres and outreach services. I am very excited to be a part of this wonderful new facility and service in Broome. I am eagerly looking forward to meeting the students and families who will be coming to the college in 2007.

EMPLOYMENT OPPORTUNITIES

With the completion of the buildings fast approaching, we are in the process of recruiting all the staff required for the college. This includes supervisory staff, administrative staff, cleaning staff and kitchen staff. All positions have been advertised this week in the Broome Advertiser and the West Australian newspapers and can be viewed on the government jobs board via the internet: www.jobs.wa.gov.au

Building site 20th Feb, 2007

BUILDING UPDATE

Following some upsetting vandalism to the building site, the builders (Norbuilt) have increased security to the site with a live-in caretaker and guard dog. If we manage to maintain good weather and no more vandalism, Norbuilt have informed us that the college will be complete in Term 2, 2007. The whole facility will not be completed prior to the start of Term 2. The exact opening date for students is still pending. I will be in contact with all enrolled students and their families over the next month to provide further information. Please feel free to contact me should you have any questions or concerns.
