## BUILDING UPDATE / OPENING DATE

After a meeting with the builders, Norbuilt, on Friday 16/03, we have been informed that the building will not be completed for Term 2. Builders have confidently informed us that we will be ready for operating for the start of Term 3 2007. As such, the college will be open for students to arrive from 9am on Sunday 22nd July 2007, with orientation activities occurring on the 22nd and 23rd of July.

I will be attempting to make contact with parents over the next few weeks, to confirm enrolments and discuss individual options for term 2. We do have a number of other colleges around the state who would be willing to accept children for term 2 if required. Please feel free to contact me direct should you have concerns and want to discuss options for your child.
